## Output:

### Filled Feedback Form:

The screenshot shows a web browser window with the address bar set to 'localhost'. The browser's tab bar includes several tabs, with 'Feedback F...' being the active one. The main content area displays the 'Student Feedback Form (2019-2020)'. The form contains several dropdown menus filled with values: Department: CSE, Course: BTech, Semester: 4, Subject: 102, and Faculty: A. Below these is a table for rating parameters. The table has 10 rows and 6 columns (Sr.no, Parameter, and five rating columns from 5 to 1). Blue dots indicate the selected ratings for each parameter. At the bottom of the form, there is a text area for 'Review and Comments for Overall Improvement' containing the word 'Good', and a 'Submit' button.
